POLITICAL PARADE

By CLEM WHITAKER

Evidence multiplies on every hand that economics and politics have become so intertwined in America's way of life that California and the West, if they are to go ahead economically, must also forge ahead politically—with able, fighting representation in Washington!

The impending fight to determine whether the West will be able to maintain its newly-established heavy industries after the war, or whether they will be scrapped by pressure of Eastern industrialists, is one phase of the story.

Another vital aspect of the West vs. East tug-of-war, which Justus Craemer, member of the California State Railroad Commission, has spotlighted is the question of whether discriminatory taxes which place Western states at a disadvantage with their Eastern competitors, are to be longer tolerated.

Mr. Craemer, who is likely to be a candidate for U. S. Senator from California—and in that event may have the opportunity to carry his fight to Washington—emphasizes that agriculture, as well as industry, is sharply affected by present tax discrimination.

Unjust and discriminatory taxes on transportation and communication, reports Mr. Craemer, present a particularly serious problem to California and other Western states. These taxes, based upon a percentage of the charges paid for transportation and the transmission of telephone and telegraph messages, constitute a greater burden on the West than on any other section of the country—due to the great distances which Westren freight and messages must travel to reach markets and centers of population in the East.

The present federal tax on the movement of freight, for example, is 3 per cent of the charges paid for its transportation. The result is that a carload of grapes, moving under standard refrigeration from California to New York is taxed $18.15. On a similar shipment from Pen Yan, New York, to the same destination the tax is $7.06. There are approximately 23,000 carloads of grapes shipped East from California every year, Mr. Craemer points out, and the same tax discrimination applies to all California farm shipments East, totaling about 155,000 carloads.

Lumber, oil mineral products, newsprint, canned goods and all other commodities originating in the West are likewise heavily penalized by the percentage-of-the-charge-paid tax. "If tax revenue from freight service is necessary," asserts Craemer, "most certainly a flat weight tax would be more equitable."

The discrimination against Westren growers and business men is also evidenced in the operation of the present tax on telephone and telegraph tolls. A California shipper, checking by phone, for example, on a shipment East pays a tax of $20 on every $100 spent in phone charges, while the Florida shipper pays only $11 in tax. "The unfairness of this method of taxation to the California shipper is clearly apparent," declares Craemer. "A possible solution lies in fixing a maximum amount or ceiling upon the tax to be paid on these services."

NOTICE

It is urgently requested that all items to be published in the Campbell Press to be in the office by Wednesdays not later than 5 p. m., if possible, due to rearrangement of time schedules of the staff. Time limits the amount of items that can be set up on Thursday.

Old Settlers' Day To be Celebrated Here Feb. 22

Campbell's celebration of its 50th Old Settler's Day on Feb. 22 this year will be held in conjunction with the schools which will be in session that day making up for the late beginning last fall.

The committee appointed by the chamber of commerce, Jack Murdock, Herbert Shadle and Walter Silberbauer in conjunction with Supt. W. H. Van Dyke have plans under way for a program to begin promptly at 1 o'clock in the high school auditorium. The school will present part of the entertainment and the speaker will be assistant district attorney of Santa Clara county, Leonard R. Avilla.

Mark E. Purmort who has headed the reception and registration committee several times will again be in charge of arrangements for that part of the affair.

The Footlighters are preparing a play for presentation in the evening and there may also be a dance.

The chamber of commerce which has been responsible for the celebrations for many years regrets that war conditions and the need for schools to be in session make it impossible to observe this goldnen anniversary in a more elaborate way.

Marceline Benech New Prexy of Girls' League

by *Beverly Suess*

Another important election took place at Campbell High Tuesday, Jan. 25. It was then that officers of the Girls' League were chosen.

The race for president promised to be a close one; and it was, with Marceline Benech coming out on top with a slight margin over Athena Changras. Gloria Ragnaccia and Donna Pannekock with no opposition were elected vice-president and secretary respectively. Jean Lester's name was written in for secretary on eight ballots, but these eight were not enough to compete with the 221 votes for Donna Pannekock.

OUR DEMOCRACY——by Mat

"A Snow Year, a Rich Year."
—OLD SAYING.

SNOW IS NATURE'S PROTECTIVE BLANKET. THE THICKER THE COVER, THE HEARTIER THE ROOTS,— THE GREATER THE SUPPLY OF MOISTURE FOR THE SPRING GROWTH,— THE MORE BOUNTIFUL THE HARVEST.

WAR BONDS, LIFE INSURANCE, SAVINGS ACCOUNTS,— ARE AMERICA'S "PROTECTIVE BLANKET" TODAY.

THE MORE WE SAVE, THE GREATER OUR ASSURANCE OF PROMPT VICTORY AND OF OUR SECURITY IN PEACETIME.

P.-T. A. Units To Observe Founders' Day

Campbell High and Grammar School P.-T. A.'s will hold a joint Founders' Day meeting Tuesday, Feb. 1 in the grammar school auditorium at 8 o'clock. An appropriate program has been arranged including musical selections by the schools' orchestras. Speaker of the evening will be Paul Pittman, dean of men at San Jose State college.

Chairmen, Mrs. Ray Wood of the high school and Mrs. Ira Grim of the grammar school and their supporting committee members, Mrs. F. A. Jacobson, Mrs. Ed Benech, Mrs. W. F. Grattan and Mrs. J. C. McBain are working hard to make this an evening long to be remembered.

The executive boards of both units will meet at 7:00 o'clock, followed by a short regular meeting at 7:30, all members urged to attend.

Do not forget that high school students are selling bonds in the Fourth War Loan drive.

Charles Snavely Is Here from St. Paul

Charles H. Snavely of St. Paul, Minn., arrived Tuesday evening for a visit with his sisters Mrs. Cora M. Ricker and Mrs. F. H. Cutting. Snavely is a retired engineer after being with the Great Western railroad for 42 years.

Saturday there will be a family reunion at the Cutting home, celebrating Mrs. Ricker's 78th birthday.

Present for that occasion will be Mr. and Mrs. Ralph Hain and Mrs. Kenneth Lausten of the Pinnacles.

Over 50 Per Cent Of Quota Reached In Bond Drive

Reported up to noon Wednesday the check upon the Fourth War Loan Bond drive showed $73,412.25, a little over 50 per cent of the $145,000 quota, which is quite gratifying as a generous part is in the E Bonds, the sale of which the treasury is stressing in this campaign.

The chairmen of the drive, W. N. Lloyd and W. H. Van Dyke are asking that people in the district await the call of a Campbell solicitor or buy bonds at the Campbell post office or from either chairman or at the high school.

They report that the students are covering their districts as fast as possible but some can work only weekends. The young people have undertaken a big order and every one should help them put it over.

Buy that extra bond or bonds and quicgly, so the job will be finished.

Annual Y. M. C. A. Dinner Held Here

The annual county Y. M. C. A. dinner meeting was held Wednesday evening in the Campbell Methodist church with an attendance of 85.

Music by the "old fashioned" orchestra, a local group, was played during the dinner. W. H. Van Dyke, Campbell Y. M. C. A. committee chairman, presided. Reports were given and speakers present were John L. Stone, Pacific Southwest Area Staff Program Secretary, Rev. Rector W. Johnson, Dr. P. Victor Peterson, Frederic T. Shipp, Frank H. Lewis and Orin W. Bell, county secretary.

Judge Foley Is Guest Speaker at Kiwanis Meeting

Judge John D. Foley, speaker for the Kiwanis club meeting Tuesday discussed court procedure with the idea of explaining some of the means by which a case gets to court and some of the common methods of its conduct from there on.

To make the matter realistic he presented a hypothetical case which he carried through from the filing of a complaint to the final disposition of the case. His explanation and demonstration proved most enlightening.

Judge Foley was presented by Martin S. Walsh, chairman.

George Gilman of the San Jose Lions club talked on the importance of paper in connection with the drive which that club is conducting, and asked for the cooperation of the club in collecting paper. The proceeds of their drive will be used toward helping the blind.

Attention was called, however, to the local paper drive, but Mr. Gilman was assured of any help that could be given.

Other visitors were Cpl. Paul Becker who is recovering from the flu and T. A. Cutting.

Next week Jay McCullough, curator of the Rosicrucian museum will be introduced by Dr. W. R. Morgan.

John R. Lyndens Celebrate 40th Anniversary

Mr. and Mrs. John R. Lynden celebrated their fortieth wedding anniversary Saturday by keeping open house at their attractive country home on San Jose-Los Gatos road, both afternoon and evening.

Their two sons, John and Richard with their families, and their daughter Mrs. Joyce Farr, with her husband and family were all present. They, with friends who called to offer their felicitations and enjoy the happy occasion, numbere over three score.

Dainty refreshments were served and the hosts were the recipients of several remembrances.

Theatre to Hold Bond Premier

Thursday night, Feb. 10, the Campbell Theatre is giving a Premiere showing and admission tickets will be given free to purchasers of war bonds and no others will be admitted.

The management has promised to give as many shows as necessary to accommodate all the ticket holders.

This is a completely voluntary act by the management in accord with the undertaking of the theatre industry to sell a huge amount of the bonds in the Fourth War Loan drive.

Buy a bond and get to see this Premiere, the title of which is, of course, not revealed.

Last Rites for W. C. Grizzle to be Held Tomorrow

William C. Grizzle who had been ill but a few days, passed away at the home of his daughter, Winifred Grizzle, in Campbell, Wednesday, Jan. 26, 1944.

Mr. Grizzle was born in Bowling Green, Ky., 85 years ago. His father was a southern grower, millwright and operator of a cooper shop. As a young man, Grizzle worked with his father and also learned the trade of brick mason, and engaged in farming before coming west.

After his marriage the family moved west remaining at Grants Pass, Oregon for several months and then coming to California, eventually reaching Campbell in 1902.

For several years he engaged in orchard and dryer work and his trade of masonry, but for a number of years has been retired. Of a quiet and retired disposition he was particularly fond of children. He was an attendant of the Christian Science church.

Services will be held Friday afternoon at 2 o'clock from the Rutherford Funeral Home with interment in Oak Hill cemetery.

His wife, Florence Rebecca Grizzle, a young daughter, Pearl, and son Fred had passed away earlier, leaving as surviving relatives, children, Orie, Winifred and Claude Grizzle, all of Campbell; grandchildren, Verle Grizzle, U. S. Navy, Mrs. Wanda Myers of North Hollywood, Thalin Grizzle of Hollywood, Mrs. Ila Bussell of Pecos, Texas, and Claude Grizzle, Jr., of Campbell; great-grandchildren, Dan Bussell of Pecos, Texas; and sisters, Mrs. L. Emory and Mrs. L. R. Wilson of Topeka, Kans.

Auto Collision Injures Women

Two cars were in collision Monday evening at the intersection of Rincon avenue and Winchester road in which the wives of the two drivers were injured, Mrs. Ollie Herren, 65, of Route 2, Box 322A of Campbell, and Mrs. Ida Hummer, 42, of 1060 Palm street, San Jose.

They were taken by San Jose ambulance to O'Connor sanitarium for treatment for head lacerations and bruises. Mrs. Hummer went home after treatment and Mrs. Herren was removed to the county hospital because of crowded conditions at O'Connors.

Highway Patrolmen George Humburg and Gus Mariotte investigated and Herren, who was driving east on Rincon was cited for failing to make an arterial stop.

BUY UNITED STATES WAR BONDS AND STAMPS

NOTICE

Beginning Saturday, Jan. 29 the Campbell Press office will be closed on Saturdays until further notice. While occasionally some one may be present, patrons are advised not to count on it.

NATIONAL EDITORIAL ASSOCIATION 1943 Active Member

The Fourth War Loan is part and parcel of the preparations for the all-out smash at Germany and Japan. The slogan, "Let's all Back the Attack," conveys the note of urgency to everyone of us to do our utmost to make certain that we do not have another Dunkerque or Dieppe on our hands. If you have anyone near the battlefront—and who has not—you will want to sacrifice to the point of hurt to buy extra war bonds.

This is the kind of a war you as an individual can't brush off. You're in it to the hilt. Not since the very beginning of the Republic have the ringing words of our Founding Fathers—"we pledge our lives and our fortunes" — resounded so clearly and so truly. Because if we lose, we lose all—not only as a nation but as individuals.

In the big assault, in which men from this community—men from your very home and your neighbors' homes—will be braving every terror a Hitler can hurl against them—you have a job to do. You can't afford to take the chance that you will not be needed. Every man and woman and even our children must deny themselves comforts and luxuries to put the money into extra war bonds in order to achieve in some measure the sacrifices which their sons, brothers, fathers, husbands and friends will make in the next few months, perhaps weeks.

The fateful days are here. In the years to come you will look back at the early months of 1944 and recall what you did to help save yourself, your family and your country.

In doing your duty in the forthcoming invasion to crush our enemies, you are first being loyal to your country. However, you must not lose sight of the fact that "buying bonds" and keeping them is actually saving money. Bonds are savings. They are real social security, real old age insurance. They are the safest and best investment for the average man, against a rainy day.

Where else can you find an opportunity for small investment today, such as in E Bonds, that guarantees 33 1-3 per cent increase in 10 years?

Thus, from a standpoint of sound reasoning, every person should put every dollar that can be spared into War Bonds, for the good of the country and for the good of the individual citizen. Let's all back the attack. **Buy that extra bond today.**

CHAMBER OF COMMERCE LAMENT

Remember the days when the State Chamber of Commerce sent out its regular, seasonal suggestion to all and sundry Californians writing East, to tuck in a paragraph about the beauties and delights of a vacation in this sun-blessed territory?

Millions came, too, eager to find out whether they really could ski down a trackless, snowy mountain and end up in a sparkling, salt water swimming pool, flanked by orange groves and studded with movie stars.

No more of that today, alas! California has its hands full taking care of its new, weighty population borne here on the winds of war. Its hands—and its hotels, houses, apartments, cabins, dormitories and trailer camps as well.

All residents in the bursting war production centers who don't really need to be there are asked by the War Department to move elsewhere. The Navy, in desperation, is launching its own program to house families of its men stationed here. The National Committee on Congested Production Areas beseeches the rest of the country, on patriotic grounds, to stay at home—not to come to California.

Thus does the war rob us of another great prerogative of true Californians—the right to brag about the beauties of our own state and to invite less favored folk to come and see for themselves.

SOMETHING TO "GLOW" ABOUT

The men who work in laboratories and develop new inventions are getting some of the darndest notions.

Now it is an electric light—that doesn't turn off! Just snap off the switch, unscrew the globe and the light goes right on glowing brightly for many minutes or many hours depending on the type you prefer.

If you are looking for something in a dark closet and the flashlight isn't handy, just take a globe with you and never mind the electricity.

The secret of it all is a fluorescent material coating a light bulb which holds the glow after the electricity has been turned off.

This material can be used around keyholes to make them stand out in the darkness. Thus may be solved one of the greatest of modern mysteries: What becomes of the front door keyhole when you're looking for it at two in the morning.

★ ★ ★ ★

MISERY LOVES COMPANY

If you haven't had the sniffles or the flue yet this winter, you're just not an average American. And besides that, about the time you start thumping your chest and boasting how immune you are from the ailments of ordinary mortals—just about that time, we warn you, is when the flu bug is most likely to bite you.

For those run-of-the-mill citizens who have had their siege with running nose, aching bones and fluctuating temperatures, we offer this solace—that you're in good company, even if not in good form. According to the statisticians, two-thirds of the population have had either influenza or a cold. And the only excuse for this sniffling tale is that misery still loves company!

★ ★ ★ ★

IMPORTANCE OF LAUGHTER

To many of us, laughter may seem difficult in these days. Yet, laughter was never more important to us as individuals or as a nation. It builds morale.

Laughter may not solve problems but it gives us new courage to tackle them. It smoothes the troubled waters in many a heart and in many a home. A hearty laugh will give you a lift unequaled by vitamins.

This doesn't mean that we should force a laugh just for the sake of the sound. Nor does it mean that we should assume a silly, frivolous attitude. But every day we should expect to find something of a jolly nature in our experience.

Laughter is really America's secret weapon. Use yours as often as you can and help win the war.

Soap Saver Hints for Wartime

Because soaps and the material from which soaps are made are both vital to the war effort, it is essential not to waste soap.

Since soap is used so frequently during the day in most households to wash dishes, laundry, for face, hands and bath, these hints, developed by Procter & Gamble, America's leading soap manufacturers, will prove useful.

Here are four important rules to remember:

1. Never allow bar soap to stand in water.
2. Place bar in dry, well-drained soap dish when not in use.

3. Use scraps of bar soap to make suds in laundry or dish pan. For dishwashing, use a wire shaker, or tie in a cloth. Or make a soap jelly by dissolving scraps in boiling water.
4. With granulated soaps it is best to pour about ½ inch of cold water in the bottom of the pan, add the proper amount of soap, swish, then fill pan with hot water to desired level.

To use soap sparingly for face, hands and bath:

1. Make lather by rubbing cake of soap only once or twice. Then rub skin vigorously with hands, cloth or brush to help soap remove dirt. A nail brush helps get hands clean with little soap.

2. In shower bath, use soap on a wash cloth instead of rubbing bar soap on body.
3. When hands are greasy or covered with heavy dirt, wipe on paper or waste rags before washing with soap.

The same rules applied to dishwashing and laundry will also help to save soap.

Every time you use soap remember to save soap, for your savings, added to those of millions of other American households, will help the war effort.

Boy Scout Council Meets

A meeting of the Santa Clara county council of Boy Scouts was held last Thursday evening at Hotel Sainte Claire for the election of officers.

Superior Judge William F. James was elected president, and for vice-presidents Robert F. Benson, San Jose automobile dealer; Oliver E. Brown, superintendent of Gilroy schools; Charles E. Moore, president of Joshua Hendy Iron works; L. L. Madland, president, First National bank, San Jose; and Marc J. Vertin, Los Gatos real estate dealer.

Ira R. Abbott was chosen district chairman for the Campbell district and he is also a member of the executive board.

Members of the council at large from Campbell are Howard J. Smith and Stanley B. Smith.

The council began the new year entirely free of indebtedness, and with gains in membership in both Scout and Cub memberships.

About a good job and why you'd like it

Men and women. Southern Pacific has a real job for you, whether you have railroad experience or not. A job which won't always be easy to get. A good-paying job, an interesting job, an essential job . . . and above all, a substantial job with a permanent company. If you are sincere in wanting to get a good job, we should like to talk to you. Many extra advantages: Railroad pass privileges, medical services, fine pension plan, etc. Liberal age limits. Jobs of every type—mechanical, clerical, general.

A partial list of jobs open for both men and women

Helpers in all crafts. Shop Workers. Stenographers. Yard Clerks. Station Workers. Carpenters. Machinists. Mechanics. Store Helpers. Warehousemen. Boilermakers. Clerk-Baggagemen. Freight Handlers. Electricians. Painters. Car Inspectors. Steel Bridgemen. Linemen. Commissary Workers. Station Clerks. Telegraphers. Sheet Metal Workers. Plumbers. Signalmen.

MUSTERING-OUT PAY

There may be many who will argue that the $300 mustering-out pay bill passed by the House is inadequte—that the amount should be larger—but without a dissenting voice the American people will approve of the speed with which it was enacted. At least, when our service men come back, they won't have to wait until the need is past for the money to buy civilian clothes and tide them over the first tough days of readjustment.

THE BOOK MARK

by marty

"The Signpost" by E. Arnot Robertson.

E. Arnot Robertson is an English novelist, with some four successful books to her credit prior to publication of "The Signpost." Her first book, "Cullum" was published in 1928 and was followed by "Three Came Unarmed," "Four Frightened People" and "Ordinary Families." "Three Came Unarmed" and "Four Frightened People" were made into motion pictures in Hollywood.

As I see it, "The Signpost" derives its title from the fact that a character in the story erected a signpost in the small village of Kildooey in Ireland which pointed the way to Dublin. Kildooey is a town situated on the Donegal coast of Ireland which, as the author describes, is savage, however the people are hospitable, sentimental and witty.

Tom Fairburn, an injured R. A. F. bomber pilot, with a few days remaining of his sick leave, takes off from London to seek release from the gnawing fear which has possessed his spirit since his injury. That fear that all pilots experience at some moments in their bombing raids—fear for physical safety and fear of loss of spiritual safety as well. So to the community of Kildooey in the County of Cork, Tom's native home, he goes. For two weeks he struggles with himself, with his fears and his weaknesses of spirit and when his time is up he has gained what he had hoped for—peace within himself—and how this was accomplished is the substance of the novel.

Perhaps it is the essence of the story that does not appeal to me particularly, for the book is exceptionally well written and the story simply told. But I do not care for the book. I read all of it and hoped, at the beginning of each chapter, to find the element of redemption that one hopes for in a highly recommended novel, but none appeared. There is brought forth a romance between Tom and a French woman, a refugee, whose husband remained in Paris after the German occupation and became a Nazi. Tom met Denyse on the boat from England to Ireland.

This book is a modern story and unquestionably is based on actual characters and happenings. The one portion of it that was of particular interest and delight to me, and the only thing that I felt compensated for having spent my time to complete the story, was the picturesque portrayal of the native inhabitants of Kildooey of the County of Cork in Ireland.

BLOOD DONORS

Campbell's representatives at the mobile blood bank in San Jose Tuesday were Mesdames Frances Duncan, Roberta Field, Emmy Hild, Etta Eddlemon, Ernestine Farley, Lilly Agostinho, Hazel Nelson and Messrs. John P. Duncan and Perley B. Payne, Jr.

ADA REBEKAHS

Ada Rebekah Lodge will meet Feb. 1 at 8 o'clock, with Eva Dahl, newly installed noble grand, presiding for the first meeting of her term. The committee for the evening is Carrie Silver, Minnie Wehmeyer and Harry Silver. All Rebekahs are cordially invited.

Dr. Philip Robson, younger son of Mr. and Mrs. G. S. Robson, has been called to service and is taking initial training at Carlysle Barracks, Pa., with the army ranking of first lieutenant.

Mrs. Reynolds Is Hostess to El Paradiso Council

The El Paradiso Council met at the home of Mrs. Edward Reynolds, Los Gatos, on Friday, Jan. 21, with Mrs. Worthin Grattan presiding.

Campbell, Sunnyvale and Los Gatos units were well represented.

Reports were read and filed by the various committees and their activities discussed.

The nominating committee, whose duty it will be to nominate officers for the coming year, was duly elected with Mrs. C. P. Klassen of Campbell as chairman.

Mrs. Worthin Grattan was elected to serve as representative of the council at the next district meeting.

Mrs. Moira Brown of the San Jose Red Cross chapter and now in charge of the Home Service and Inquiry department, was the guest speaker of the day. She gave a very interesting talk on the Red Cross work, with special emphasis on the "prisoner of war" in foreign countries.

Mrs. Victor Peterson, also a guest speaker, extended greetings from the San Jose Council and a cordial invitation to their meetings. Her topic was "The Home Front" dealing with the changes and adjustments being made now and those to come.

Mrs. Grattan asked all her unit presidents to have reports for their various units compiled for the next council meeting to be held tentatively, March 17.

Campbell was highlighted in Rolly Langley's "Let's Grow It" column in the Mercury Herald Wednesday, with special honors going to Miss Hancie Naylor, who was titled the "Greenthumber of the Day," for her very successful and productive victory garden.

Joseph Gomes Heads Campbell Cooperative Dryer

Joseph V. Gomes is the newly elected president of the Campbell Cooperative Dryer, chosen at a recent annual meeting when Stanley B. Smith declined renomination to that post. M. S. Keesling was reelected vice-president and Robert Scholz, secretary-treasurer.

Reports were read by Smith and Manager G. K. Schrader, and Scholz read the auditors report.

John B. Benson and Smith were named directors.

During the 1943 season a record number of 6807 tons of prunes were dehydrated. The association has a long list of growers on its waiting list for membership but further expansion must wait on priorities.

During the remainder of the year when not used for prunes, the Campbell Products company leases part of the plant for dehydrating potatoes and cabbage for the government. Eight of the tunnels are leased to the West Coast Dehydrating company, operating on potatoes and last season on carrots.

Mr. and Mrs. J. O. Leverton are again making their home in Campbell, occupying the home of Miss Sadie Maxson and the late Mrs. Mary Lanphear on North Central avenue, while looking for an unfurnished house. "Tex" is convalescing from his recent operation.

Staff Sergeant Paul J. Campisi, who was recently promoted from sergeant is reported as now being in charge of a hospital laboratory in England.

Services for B. Manzo Held Today

Bangrazio (Benjamin) Manzo passed away in Campbell Monday, Jan. 24, and funeral services were held this morning from the Denegri Funeral Parlors and the Holy Family church in San Jose. Interment was in Santa Clara Catholic cemetery.

Deceased was a native of Tricarico, Italy and was almost 85 and a half years of age.

He is survived by several children and other relatives in the United States and Italy.

GUILDD TO MEET

On Thursday, Feb. 3, the General Women's Guild of the Congregational church will hold an all day work meeting in the church parlors. Members and friends will gather at 10 a. m. to do Red Cross work, and coffee will be served at noon. Please bring your own lunch.

News of the death of Mrs. H. L. Stein came as a shock to relatives and friends here today. Mrs. Stein was found dead on the floor f her living room about 12 o'clock by Mrs. Ben Austin with whom she was planning to go to San Jose. Mrs. Austin called Mrs. Stein niece Mrs. L. R. Lewis of Latimer avenue and then called Mr. Stein in San Jose. The sudden death was caused by a heart attack, according to reports.

A son, Dennis Ralph, was born to Mr. and Mrs. Ralph A. Mooney at San Jose hospital, on Jan. 19.

Laughing Around the World

With IRVIN S. COBB

One Thing at a Time

By IRVIN S. COBB

ACCORDING to Hap Ward, of the old team of Ward and Vokes, a colored man in Texas was enjoying the first watermelon of the season.

As the celebrant sat in the back door of the general store working

on his third slice, a friend dashed up to him.

"Jim," he gasped, "Jim, dey's bad news fur you. Yore wife jest now fell daid frum heart failure!"

The husband's reply was an inarticulate gurgle.

"Jim!" cried the bearer of ill-tidings, "didn't you heah whut I'm telling you? Yore pore wife jest fell down daid. Ain't you got no grief to show?"

The widower raised his head until the lower part of his face temporally had lost connection with the dripping delicacy.

"Boy," he said, "kindly stand 'round yere 'twell I gits th'ough wid dis watermelon an' then I'm goin' show you some grief."

BUCS TO MEET FREMONT FRIDAY

Local Hoopsters Hope For Double Victory After After Twin Loss to Los Gatos Last Week.

Spurred on by the double defeat in the Los Gatos game, Friday night Campbell hoopsters will be traveling to Fremont in the hopes of duplicating a double win scored over the Indians several weeks ago. Out of five games played, the Unlimiteds have taken one game, while the '30's have taken two. Fremont has lost all of her games. George Del Grande, star forward, is expected to be able to play against Fremont, as is Darvin Skaggs, first string guard. Bob Amaro, speedy worward of the '30's will not go to Uncle Sam in February as was feared but will remain for the rest of the season.

Campbell Bucs, holding a 1-0 lead over an aggressive Los Gatos quintet during the first quarter, dropped an exciting 34-20 game at Los Gatos Friday night. The '30's lost by a 28-24 score. Bill Wilson was high point man for the Unlimiteds with 7 points, while Bob Amaro and Floyd Williamson shared top honors for the '30's with six points each.

Holding Los Gatos down to a 11-7 lead at the half, the Bucs were hit hard when Bill Wilson, offensive and defensive sparkplug, went out of the game on fouls.

Starting line-ups were as follows: 130's—Amaro and Ekstrand, forwards; Williamson, center; Nichols and Buck, guards. Substitutes were Jeffers, Harrison, Furtado, Keesling, Grim, Dinapoli and Zimmer.

Unlimiteds: Kosich and McQueen, Forwards; Wilson, center; Gutto and Magnuson, guards. Substitutes were Del Grande, Grattan, Howe, Smith, Cowper, Nelson, Steele, Siesmore, and Kennedy.

Scoring for the 130's were Williamson, Amaro, Ekstrand, Jeffers, Harrison and Buck, chalking up 6, 6, 5, 3, 2, 2, points respectively. Those who tallied for the Unlimiteds were Wilson, Cowper, McQueen, Grattan, Magnuson and Kosich, garnering 7, 4, 4, 3, 1, 1, points respectively.

Frosh Food Sale Coming Friday

Homemade Cookies and Cakes to be Featured.

The Freshman Class, which started the year with no organization and absolutely nothing in its treasury, is on its way to becoming a model class, both governmentally and financially strong, according to all reports.

Under the leadership of their capable president, Kent Clark, the freshmen plan a food sale which will include home made candy, cookies, cakes and other pastries. They intend to set up two or three booths on the campus and will sell on Jan. 28, day after tomorrow.

The money obtained from the sales will represent the first deposit in the freshman treasury.

Showy advertisements are posted around the campus to promote the interest of members of all four classes. If the booths are patronized generously, other sales will be held and the profits will be used to put on a big dance next semester.

Beverly Suess Wins Third Prize In Essay Contest

Beverly Suess was congratulated last week on two accounts. A recent winner in the race for council, Beverly also placed third in an essay contest sponsored by the Navy Mother's club.

The contest on "Why American Women Should Serve Their Country In the Waves" was valley-wide, with all girls in Santa Clara valley high schools participating. Third prize was $5.00 in war stamps.

Said a letter written by Raymond G. Callaghand, Chief Specialist, U. S. N. R., "Miss Suess displayed a good understanding of the need for the Women's Reserve of the Navy and her patriotic enthusiasm for the program led the committee to include her name among the winners.'

130's Swamp Tech; Unlimiteds Lose

Playing a heads-up game of basketball Friday night, Jan. 14, the local 30's beat a strong San Jose Tech team by the score of 28-15. The Unlimiteds, not faring so well, came out with a 29-21 defeat.

High point man for the 130's was Williamson, with 11 points, while Wilson was highpoint man for the Unlimiteds, tallying 13 points. The heavier squad, minus two first-stringers, Skaggs and Del Grande, put up a valiant fight and didn't stop fighting until the final gun. The 130's, having an easier time, pulled 9-5 at the half and kept a lead the rest of the game.

Starting line-up for the Unlimiteds included Gutto and Magnuson, guards; Wilson, center; McQueen and Kosich, forwards. Substitutes: Cowper, Steele, Howe, Grattan, Smith, Bechald, Kennedy, Seismore, Nelson.

For the winning 130's, line-up included Amaro and Ekstrand, forwards; Williamson, center; Nichols and Buck, guards. Substitutes: Dinapoli, Meyer, Harris, Harrison, Zimmer, La Mar, Jeffers, Keesling, Todd and Furtado.

Faculty Absences Jump As Flu Strikes Here

The flu and other illnesses have caused famulty members to be absent from their classes recently.

The most serious case is that of Miss Paula Bradshaw who was confined to the San Jose hospital until Saturday when she went to King City to stay with friends until she recuperates.

The ohtres are Principal W. H. Van Dyke, Miss Mary Lewis, Miss Frances T. Parks, Miss Muriel Carson, C. E. York and Charles Simonds.

The faculty and students join in wishing a speedy recovery to those teachers who have not yet returned to school.

Campbell Matmen Active Recently

Campbell's wrestlers have been very active during the past two weeks, participating in the Novice Tournament at Hayward and wrestling at Sequoia in a meet held last Wednesday at the Redwood City school.

In the Hayward tournament, which was won by Sequoia with a total of 26 points, Coach Walt Hill's matmen came through with five points, which were scored by Derrol O'steen, who won first place in the 175-pound division. Other Campbell wrestlers who showed promise were Bobby Hall, who won two matches before being defeated by Baker of Sequoia (125-pound champ), and Frank Shepherd and Pete Ragus, who lost only to the champions of their divisions.

As Sequoia has seven tournament champions among her wrestlers, the Bucs didn't expect to win last week, but they went determined to win as many matches as possible and to keep the opponent's score low. The team showed plenty of fighting spirit, with O'steen and Caruso both pinning their opponents in the second period and all the wrestlers giving a good account of themselves.

Results of the meet were as follows: Gates (S) def. Shepherd (C) fall; Fitts (S) def. Flesher (C) fall; Taylor (S) def. Metz (C) fall; Payne (S) def. Hall (C) dec.; Payne (S) def. Hill (C) fall; Fredericksen (S) def. Guardino (C) dec.; Maynard (S) def. Kennedy (C) fall; Caruso (C) def. Nunes (S) fall; O'steen (C) def. Bray (S) fall; Davis (S) def. Linden (C) fall.

Exhibition Match—Gates (S) def. La Mar (C) dec.; Baker (S) def. Arnold (C) fall; Patrick (S) def. Martin (C) dec; Wilson (S) def. Kelley (C) fall; Day (S) def. Reese (C) fall; Duckell (S) def. O'steen (C).

With the team showing much promise and plenty of fight, Coach Hill hopes for a good turnout and a victory tomorrow when the Bucs meet San Jose high here after school.

BEV—"Say I'd like to know how long girls should be courted?"
BARBARA—"Eame as short girls, I'd say."

Ballet Theatre In San Jose Next Tuesday

Three gorgeous ballets will be given in the civic auditorium, San Jose, on next Tuesday evening, Feb. 1, when the Russian Ballet comes to town with the Ballet Theatre. "Swan Lake," to music of Tschaikowsky; "Lilac Garden" to music of Chausson; and "Mademoiselle Angot" to music of Lecocq will be presented, with the large company of ballerinas and male dancers moving to the music of a symphony orchestra.

The Barrymores: Lionel, Ethel and John are synonymous with the tradition and fame of the American stage. Ethel Barrymore was practically born on the stage, making her debut appearance at the age of fifteen. "Captain Jinks," "The Constant Wife," "Trelawney" and a long list of successes are history. "The Corn is Green," now in its fourth year, is said to be her greatest success. Miss Barrymore plays in the civic auditorium, San Jose, on Monday evening, Feb. 7.

On Sunday evening, Feb. 6, "Kiss and Tell" gives one performance. The play is even funnier than "Junior Miss," according to those who have seen it and moves in a swift, mad tempo through its ludicrous situations.

Tickets for all events are on sale at the auditorium box office, Columbia 7087.

SAILING, SAILING!

Abe Klassen is temporarily located on the merchant marine training ship stationed at San Francisco. He expects to be at sea within the next few weeks. Up until recently Klassen operated the Ohlen Hatchery and was also employed at Drew Canning company. Several months ago Mr. and Mrs. Klassen purchased the Getchell house on Central avenue where they have been living.

St. Lucy's Women's club will hold its regular meeting Thursday, Feb. 3 at 2 o'clock in the parish hall, with Mrs. Ira Grim and Mrs. Joe Gomes hostesses.

A marriage license was issued to Eldred Wayne Osborn, 21, of Texas, and Myrtle Myrlene Brinson, 19, of Campbell.

S. P. STATION, SAN JOSE,
or nearest S. P. Agent

PUT YOUR FINGER DOWN ON THIS SABOTEUR OF HEALTH ... Keep on top of the "flu" germ this winter. He is going about nipping folks these cold and wet wintry days. Don't let him sabotage your health and cost you time and money on your important job these war days.

When you go out of doors this winter—dress in warm, dry, weather-tight clothing. But if you should come home cold and wet, change at once to warm dry clothing. At the first symptom of a cold, doctor-up and climb into bed. Get the advice of a nurse or doctor and get well and keep well.

It would be a good idea, too, to see that your home heating equipment is working efficiently and economically. Use heat wisely. Do not overheat and waste fuel. Keep windows and doors and fireplace openings closed to prevent heat loss. All fuel today is fighting fuel, essential and vital and enormously needed in war production.
